**Welcome to Your Champion
Purple Rank Manual!**

A Message to the Parents . . .

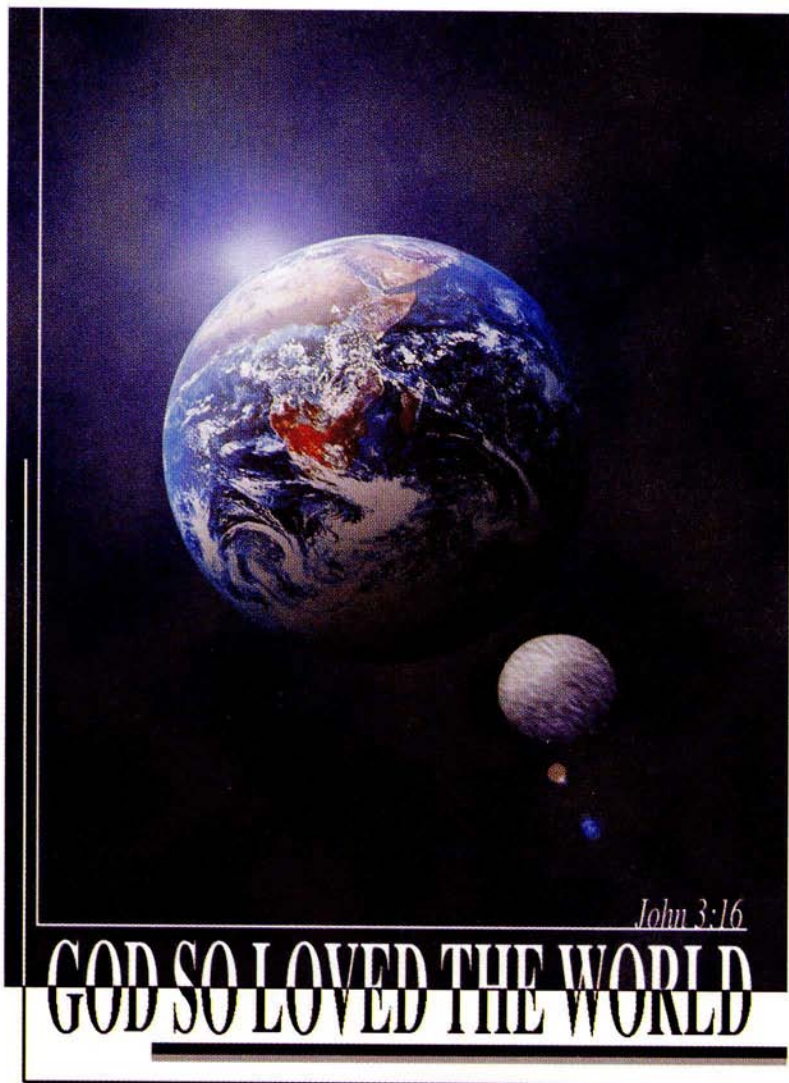

Your son or daughter is in the fourth unit of study in the Champion division of *Discovery Bible Clubs*. We hope that you have noticed your child's spiritual growth during the time he has attended club meetings. Without the parents' support, a child cannot reach his full potential as a Champion for Jesus.

In this manual, your child will learn and apply the concept of serving God and acknowledging His love and kindness. He will also learn about brave men and women in the Bible who were faithful in their service to God.

The overall goal of *Discovery Bible Clubs* is to present the message of Christ in a way that young minds can understand and accept Jesus Christ as personal Savior. By getting your Champion to meetings on time each week, you are investing in his spiritual bank account. After you have read this letter, please sign below so that your child can earn his first of many purple Champion stickers.

Unit 1

God Provides a World

God created man and woman to worship Him, to fellowship with Him and to bring Him honor and glory during their life on this earth. In His infinite wisdom God provided this world and everything in it especially for them until His return.

One of the smartest and most well-known scientists that ever lived, Dr. Albert Einstein, said that all of his studies led him to believe that God created the world. Dr. Einstein said the order of the universe and the natural order of the earth was so precise that only God could have brought it into existence (precise means exact, or perfect).

God wants us to know that if He provides us a place to live in our earthly form, then He also has a more perfect place prepared for our spirits when we pass from this world.

Memorize this verse.

“Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.”

1 Corinthians 2:9

To earn your first sticker in *Unit 1*, READ pages 5, 6 and 7 and RECITE 1 Corinthians 2:9 for your club leader.

In the **Champion Green Rank Manual**, we learned about worship. We also learned about forgiveness. Jesus taught by His example that we should be willing to forgive those who offend us. Peter asked Jesus how many times we have to forgive the same person. Jesus gave him a math problem. Solve this problem by reviewing Matthew 18:21, 22.
