Today a Christian warrior is no different. This manual will help us prepare for our journey. Our first task is to learn the importance of praise. Use your *Glossary* (page 44) to define the word *praise*.

## Praise Project

---

The book of Psalms in our Bibles is filled with songs of praise to God. The hymnal in your church pew is also filled with great songs of praise. This project is all about praising God. There are two options from which to choose.

Option 1—Create your own song or poem to praise God. It must be at least fifty words long. Your poem or song must be presented to your club leader in order to earn your sticker.

Option 2—Research the origin of your favorite hymn. There are books in your local library that can help. You can also ask your pastor or music director for help. Your report must be at least one hundred words. Read it to your club leader to earn your sticker.
