# COUNT YOUR BLESSINGS

Job 1:21

March 5, 2017 • Unit 1, Lesson 1

## REMEMBER GOD'S WORD

"Job...was perfect and upright, and one that feared God."

Job 1:1

Alongtime ago, in a land called Uz, there was a very rich man whose name was Job. Job was a good man, and he loved God very much. He always tried to do what was right and stay away from evil. God had blessed Job with many things. He had a very large family—seven sons and three daughters. He also had a lot of animals—seven thousand sheep, three thousand camels, five hundred yoke of oxen, five hundred female donkeys and many people living in and keeping his home. When his children were grown and had nice homes of their own, they would all get together to have big feasts with much food and drink. Job always talked to God and gave burnt-offerings in case his children had done anything wrong. He wanted his heart to be right with God, always, and God blessed him for that.
