# Learning To Trust Jesus

Jesus healed many sick people. He did this to show God's love. One woman had been sick for twelve years. Doctors could not make her well. Each day she grew worse.

One day the sick woman heard Jesus was coming. But how would she get to Him? Many wanted to be near Him. The sick woman pushed through the crowd. She believed Jesus could make her well. When she was behind Jesus, she touched the hem of His clothes. That minute she was made well.

Jesus asked who touched Him. His helpers said many touched Him. But Jesus knew the woman trusted Him for healing. He felt the power leave His body. The woman told Jesus she touched His clothes. Jesus kindly said her faith had made her well.
