The Tabernacle in the Wilderness

**“The glory of the LORD
filled the tabernacle.”**

Exodus 40:35

Worshiping in a Tent

Exodus 36—40

“Tell my people to build Me a Tabernacle,” God told Moses.

The Tabernacle was a place where God would be with His people. The Israelites would worship God there.

Moses told the people how to build the Tabernacle. They made the walls from special wood. They covered the wood with gold. They set up the Tabernacle in the middle of their camp. The people’s tent houses were on all sides of the Tabernacle.

Inside the Tabernacle were gold pieces of furniture. It pleased God to see His people make a special place to worship Him.

When it came time for the people of Israel to move again, special workers took the Tabernacle apart. They packed everything very carefully. They took good care of things in God’s Tabernacle. They put everything back together at the new place.

God was glad to have a special tent where His people would worship Him.
